Girl Scout Programs

Girl Scout Programs

To schedule a workshop, call 531-3555.

Workshops are two hours in length and have a fee of \$5 per girl, with a minimum workshop fee of \$40. Daisy workshops are 1.5 hours in length and have a fee of \$4 per girl, with a minimum fee of \$32. The workshop will meet badge requirements; but the badge will not be provided. Time to explore the Museum is included.

Trips can be scheduled Monday thru Friday, from 3-5 p.m. and 6-8 p.m., and on Saturday from 3-5 p.m.

Juniors

Science Discovery: Spend time exploring the Museum and learning water tricks just like a scientist.

Science Sleuth: Explore simple machines in our medieval castle and dusting for fingerprints throughout the museum to find out about our genes.

Oil Up: How do oil spills affect wildlife? Where can you find oil around the world? How do you clean up an oil spill? We have some answers!

Brownies

Amazing Animals: Learn about the way animals move, the sounds they make, and how to care for your own pets.

Building Art: Test materials and structures to find out which designs are ideal for bridges and buildings.

Science in Action: Explore light and color in a scientific way. Have some fun with chemistry and discover technology!

Daisies

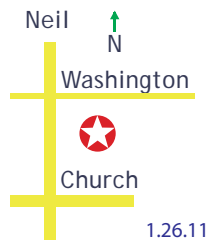

Considerate and Caring: Being considerate and caring to your pets is very important. Learn about some of your favorite pets and how you can have fun with them.

Use Resources Wisely: Learn how to make the best use of materials and reduce the amount of garbage you throw away.

Make the World a Better Place: Explore recycling at the Orpheum Children's Science Museum and find out how you can make the world a better place.
